YOU'RE ONE SCAN AWAY

Accessing support information for your asset is easier than ever with Cat QR Codes. A simple scan of the code using your mobile device instantaneously sends you to an on-line experience that centralizes parts and maintenance resources in your moment of need.

BENEFITS:
* Serves as a gateway that connects you to a deeper ownership experience
* Instantly access parts and maintenance information that is specific to the asset
* Applies to all customer segments using Parts.Cat.Com
* Provides direct connection to a service center page on Cat.com specific to equipment and industry

Ask us how to get a QR Code for your assets today!
